

DONATION OF MEDICAL EQUIPMENTS FOR SURGERIES
NGO Partner: CONWEST & MANJULA S. BADANI JAIN
HOSPITAL (CMJ)
Project Size : Rs. 1.25 crores

Project Summary:

The project entailed procuring and installation of Ultrasound machines and Operation Theatre equipment.

Project Impact and Challenges:

Medical equipment's were provided to the hospital for performing complex and advance surgeries which are expensive in private hospitals thus reducing the financial burden on patients.

It is used for certain surgeries such as the Liver Resection Surgeries, Whipple's Surgeries. Cyto Reductive Surgeries, HIPEC Surgeries, Ovarian Malignancies, Uterine Malignancies and Vascular Resection Surgeries.
