

Involve Learning Solutions

- » Empowering children to learn and lead thriving lives through peer based learning's in govt and aided schools
- » Through their work with teachers and educational leadership within the government they have seen changes in their attitudes to inclusion of students in decision making and seen them become more comfortable giving more agency to students in classrooms to create and design their own learning.

Amount To Be Raised: ₹ 10 Lakhs

Our Commitment: ₹ 50 Lakhs

Impact:

Today Involve's work reaches half-a-million children across 6 states both directly and through partnerships with governments and organizations. They currently have direct programs in Karnataka, Uttar Pradesh, Bihar programs with their partners in Punjab, Madhya Pradesh and Chhattisgarh.
