

The Circle

- » The Circle of Schools is an entrepreneurship incubation and support program that aims to establish a network of schools & after-school programs across the country.
- » Each school will be led by an entrepreneur who operates autonomously while adhering to shared principles and goals.
- » The schools will maintain a cohesive brand identity and benefit from a support infrastructure and network community, fostering collaboration and collective growth.
- » The model schools will be pilots for emulation into government schools and after school programs.

Amount To Be Raised: ₹ 25 Lakhs

Our Commitment: ₹ 1.5 Crores

Impact:

The Circle India is committed to building a reimagined circle of schools, after-school programs, and teachers that, together, offer every child in India expanded opportunity to succeed and change the world.
