

HELPING EDUCATE THE URBAN NEEDY CHILDREN.

NGO partner: Kinnari Foundation

Project Size: 15.00 lacs

Project summary :

Located in South Mumbai, Kinnari foundation provides financial aid for school going children helping educate the urban needy children till standard 10th. Most students come year after year and fees are given after validating the economic profile of the family and taking the academic records. Part funding of the fees is done through money raised by conducting hobby classes such as Gymnastics, yoga, art and running a play group for the needy.

Impact & Challenges: 465 Students (out of which 211 are girls), all from very disadvantaged families are provided financial aid by way of tuition fees. Kinnari needs more media visibility and awareness.
