

EMPOWERING HUMAN TRAFFICKING SURVIVORS

NGO Partner :KSHAMATA

Project value : Rs 43,38,000

Project Summary:

Kshamta equips women survivors of gender-based violence to make livelihood & become self-reliant. They help women with employment-oriented skills to get employment. They also impart confidence and hope in these girls, enabling them to achieve their goals. Kshamta does this by working in the undermentioned three verticals:

- a) Super 30: Enrolment of 30 women in vocational training for job readiness, imparting life skills and enabling job placements and starting their micro businesses
- b) Vulnerable Community Intervention: They will be equipped with life skills, functional literacy, and get trained in vocational skills and be made work ready.
- c) Laptops, groceries and nutritional Support: To be provided in KTC group stay units

Project Impact and challenges:

(a) Super 30: Phase 1 completed;

20 women have started working and earning, 6 have started their own small-scale business and are main bread winners in their families and 2 have completed their training and are awaiting their job placements.

(b) Super 30: Phase 2

12 women have been signed up for phase 2, 7 of them have decided to run a small business unit, 1 has launched her readymade garment selling business and remaining 4 have been enrolled for their respective courses.

(c) Vulnerable Community Intervention (Outreach Project):
Empowering and skilling of women from violence and exploitative backgrounds in government shelter homes.

Brothel Community: Setting up a new skills development center
Laptops, Groceries and nutritional support to be provided to KTC center group stay units.

Beneficiaries:

Total-200 :

- a) Super 30- 30
- b) Outreach Project-120
- c) Laptops and Groceries+ Nutritional Support-50
