

Kshamata

Kshamta equips women survivors of gender-based violence to make livelihood & become self-reliant. They help women with employment oriented skills to get employment. They also impart confidence and hope in these girls, enabling them to achieve their goals. Kshamta does this by working in the undermentioned three verticals:

1. Super 50 : Enrolment for batches of 50 in vocational training for job readiness, imparting life skills and enabling job placements and starting their micro businesses.
2. Vulnerable Community Intervention : They will be equipped with life skills, functional literacy, and get trained in vocational skills and be made work ready.
3. Laptops, groceries and nutritional Support : To be provided in KTC group stay units.
