

## **UPGRADATION OF UROLOGY DEPT**

**NGO Partner: Nair Hospital**

**Project Size: 10,75,120**

### **Project Summary:**

In Nov 2021 6 new equipment's such as bladder scanner, Urodynamic study chair etc. were donated to Nair Hospital.

### **Impact & Challenges:**

Poor and needy people are treated with the latest equipments with better outcomes and the waiting period for treatment has decreased to almost 50%. More number of patients are being treated as compared to previous years.
