

Prerna

Location - Mumbai

Project Value - ₹ 19 Lakhs

Funded through HDFC Credila Naunihal Children's home was set up by Prerna to provide emergency shelter facilities for girl children from the red light areas of Mumbai, who were in immediate need of residential care and protection. The need for Naunihal emerged owing to the lack and refusal of vacancies for children from red light areas, in and by the existing institutions meant for children.

Naunihal is a Home for such girl children. The other important role of Naunihal is that it is the place that is considered first by the Government for providing emergency shelter facilities, at any time of the day, to girl children in need of care and protection.
