

VOCATIONAL TRAINING FOR THE DIFFERENTLY ABLED

NGO Partner : Society for the Vocational Rehabilitation of the Retarded (SVRR)

Project Size : Rs. 30,00,000/-

Project Summary:

SVRR aims to raise the efficiency of the mentally challenged person by guidance and counselling. The objective includes imparting training to rehabilitate such individuals and make them self-sufficient.

RCQNM has funded this setup for the new premises for training of the mentally challenged individuals.

Project Impact:

The new centre has been rented, opening done and work has started. Hand holding meetings are conducted with them to support smooth functioning of the centre. The goal is to produce better quality and higher profit margin products to enhance stipend in hand of each trained individual.
