

HEALTH CLINICS FOR UNDERPRIVILEGED SECTION OF SOCIETY

NGO Partner : Swasth Foundation.

Project Size : Rs. 27 lacs for 3 clinics (Rs. 18 lacs RCQNM + Rs. 9 lacs Rotary Club of Bombay Central.

Project summary:

- To create healthcare awareness in EWS families specially for chronic lifestyle diseases eg. hypertension and diabetes.
- To treat them at low cost and give them monthly medicines for BP and Diabetes at minimal cost so that they are motivated to take the medicines regularly and prevent any complications of hypertension and diabetes
- Create Awareness in them that these diseases are silent killers & the treatment (regular monitoring and medicines) required is lifelong.
- Motivation to come for regular followup visits
- Tracking -by regular monitoring of the parameters to see if the disease is in control.
